Welcome to the world of apps

To make downloading even easier and faster, we have included QR codes for some of our favourite apps.

To use these just download one of the following readers - open the app and scan (with your camera) and you'll be taken directly to the market/store to download them - simple!

If you have an Android™ phone download **NeoReader**.

If you have an iPhone download **i-nigma Reader**.

4

Doodle Jump

WARNING: Insanely Addictive!

\$4.64

Jump, Jump, Jump. Guide Doodle the Doodler up while avoiding baddies.

ANDROID APP

Air Control Lite

In this simple yet addictive drawing game you take on the role of Air Traffic Controller.

FREE

It is your job to direct airplanes to runways while avoiding collisions. It gets harder the longer you play!

ANDROID APP

5

Facebook®

Dedicated facebook application optimised for Android

ANDROID APP

6

FREE

You can share status updates from your home screen, look at your friends' walls and user info, upload photos, share links, check your Inbox, and view posted videos.

Twitter

Dedicated twitter application optimised for Android.

ANDROID APP

7

FREE

A super fast Twitter android native app, helps you access your twitter, local site in the speed of light.

Where's my Droid?

Ever lost your phone and you call it to listen for the ringer and remember it's set to silent?

FREE

You can text a password to your number from someone else's phone, and the app switches your phone to loud and doesn't stop ringing until you find it.

Bump™

Bump™ makes sharing photos, contacts, and apps as simple as bumping your phones together.

FREE

Transfer contacts, applications, photos quickly and easily with another bump enabled device.

Google Sky Map

Google Sky Map turns your Android-powered mobile phone into a window on the night sky.

FREE

Point your phone at the sky, and Google Sky Map will show the stars, planets, constellations, and more to help you identify the celestial objects in view. You can also browse the skies in manual mode.

doubleTwist™

Media player, and application for syncing with iTunes on Windows.

FREE

doubleTwist™ is the best music, radio and video app. Finds all the music on your phone and syncs music & video with the free doubleTwist app on Mac/PC.

Talk to Me Classic

Speech-to-speech translator.

FREE

Type or speak and it will translate it into over 40 different languages. Good for travelling.

Talking Tom Cat

Tom is your pet, he responds to touch and repeats you in a funny voice.

FREE

You can pet and poke him or grab his tail. Paid features: cymbals, cake, bird, farting and no ads. Record videos of him and share them on YouTube/Facebook or e-mail.

Evernote

Evernote turns your Android™ phone into an extension of your brain.

FREE

Create text notes, snapshots, voice memos, and attach files whenever and wherever you want. Search and find notes created on your phone, computer and web.

Dropbox

Multi-platform (iPhone, Windows) cloud storage on the internet.

FREE

Free 2GB storage online which you can access ANYWHERE from your phone, or on any computer via a browser – provided you have access to the internet.

Angry Bird Lite

The survival of the Angry Birds is at stake.

iPhone
App

FREE

Dish out revenge on the green pigs who stole the Birds' eggs. Hours of gameplay, challenging physics-based castle demolition, and lots of replay value.

Cut the Rope

Highly innovative and addictive puzzle game.

iPhone
App

\$1.29

A mysterious package has arrived, and the creature inside has only one request...CANDY! Help get the candy to Om Nom, the adorable monster.

Facebook®

Dedicated facebook application optimised for Apple iPhone.

FREE

You can share status updates from your home screen, look at your friends' walls and user info, upload photos, share links, check your Inbox, and view posted videos.

iPhone
App

Twitter

Dedicated twitter application optimised for iPhone.

FREE

Discover what's happening right now. Realtime search, Top Tweets, trending topics and maps show what's happening everywhere.

iPhone
App

Bump™

Bump™ makes sharing photos, contacts, and apps with people as simple as bumping your phones together.

FREE

Transfer contacts , applications, photos quickly and easily with another bump enabled device.

iPhone
App

SUBWAY®

Now you can order SUBWAY® from your iPhone.

FREE

Order SUBWAY® menu items and check your Subcard balance from your iPhone.

iPhone
App

Flicks NZ

The New Zealand movie app.

FREE

An official comprehensive movie guide. Find the cinemas close to you, session times, reviews, movie trailers and what's coming soon.

iPhone
App

Remote

Control iTunes and Apple TV using your iPhone over your Wi-Fi network

FREE

Choose playlists, songs, and albums as if you were right in front of your computer or Apple TV. With the flick of your finger, you are in full control.

iPhone
App

Nike+ GPS

Get the most out of every run by tracking where you go and motivating you to take it further.

\$2.59

With this app in hand, you can track every indoor and outdoor workout easily, without a sensor. Record your pace, distance and route using the iPhone's GPS.

iPhone
App

iTradeNZ

Finally! An iPhone app for the popular TradeMe.co.nz

\$2.59

TradeMe members can now browse, search, bid and purchase and watch your favourite auctions from wherever you are.

iPhone
App

Guitar Toolkit

Essential guitar utilities - one of the highest ranked apps.

\$13.99

An amazingly accurate tuner, and a library of over 500,000 chords, all on your iPhone.

iPhone
App

Dropbox

The easiest way to sync and share your files online and across computers.

FREE

Free 2GB storage online which you can access ANYWHERE from your phone, or on any computer via a browser – provided you have access to the internet.

iPhone
App

Evernote

Evernote turns your iPhone into an extension of your brain.

FREE

Helps you remember anything and everything that happens in your life. Evernote instantly synchronises your iPhone to your Mac or PC desktop.

iPhone
App

Expenditure

Expenditure allows you to track your expenses.

\$2.59

Seriously one of the best financial apps available, combines a beautiful interface with an intuitive way to track your expenses.

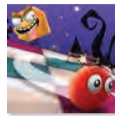

iPhone
App

Join the OVI store

Ovi (Finish for 'door') is the home of applications for Nokia devices. Each day 200,000 new users sign up and 2.6 million apps are downloaded. Worldwide 140 million people can access games, guides, media and utilities in over 190 countries.

Availability of application is handset dependent.

Bounce Boing Battle

FREE

Two mobiles. One game. Play ball. Challenge your friend in a fast-paced duel. Bounce a ball back and forth between two devices by drawing collision lines into the game area & score points by delivering the ball into your opponent's goal. Download now and have a ball!

Angry Birds Lite

FREE

The survival of the Angry Birds is at stake. Dish out revenge on the green pigs who stole the Birds' eggs. Use the unique destructive powers of the Angry Birds to lay waste to the pigs' castles. Each of the 21 levels requires logic, skill, and brute force to crush the enemy.

Galaxy on Fire

FREE

Our multiple award-winning sci-fi adventure. In a huge galaxy of hundreds of planets and space stations, you take on the role of a mercenary with the Terran Armed Forces in the fight against the aggressive alien Vossk.

Need for Speed

FREE

Hit the gas to race against ruthless gangs running an International crime ring. Win races to gain street cred and fill your garage with killer cars, like the Porsche 911. Reach the finish line first in circuit races. Bust up the city in bounty challenges.

Tunewiki

FREE

TuneWiki's social media player shows subtitled lyrics as you listen to your music, watch music videos, or stream songs through our SHOUTcast™ radio feature. Translated into 40+ languages, search for lyrics to over 2.5 Million songs.

Sports Tracker

FREE

Train better with the award-winning Sports Tracker app. Your phone becomes a full-featured GPS sports computer, keeping track of everything from calories burned while running to your average cycling speed over altitude. All data is stored so you can chart progress.

CNN Video

FREE

Watch CNN International on your Nokia device! Stay up to date, wherever you are in the world, with CNN video in the palm of your hand. Access CNN's most popular videos, as well as the latest in world, business and sports news.

Lonely Planet Live

FREE

Picks up your current GPS position and delivers you automatically to the most relevant part of the Lonely Planet Mobile Site. Get the latest weather, go straight to the big-ticket attractions, or take your pick of the nearest places to eat, sleep, shop, and play.

Foursquare

FREE

Foursquare helps you find new ways to explore the world around you. See where your friends are, learn about the places they frequent, keep track of all the things you want to do and learn about new things to experience from your friends!

Symbian - Salesforce Lite

FREE

SalesForce an award winning software as a service CRM now available on your Nokia handset. Stay in touch with your customers and access your company's most valuable information anytime and anywhere.
